Documents to be provided

In order to facilitate the processing of the application, the following document(s) is / are provided for reference.

Documents attached:

A copy of the register from the Land Registry showing the ownership of the lot(s) under application.

A copy of the Hong Kong Identity Card of the applicant / identity document(s) of Tso / Tong Manager(s) / identity document(s) of Company Manager(s) or Director(s).

A plan showing the location of the proposed house, balconies and septic tank on the lot(s) to be redeveloped.

A copy of the grant document (Building Licence / New Grant / Government Notice)

Please tick ("✓") as appropriate.

Points to Note

1. The applicant may be requested by the Lands Department to employ an Authorized Land Surveyor or Registered Professional Surveyor to determine the lot boundaries or to resolve any boundary problem. Alternatively, the applicant may reduce the building area of the proposed house to avoid any encroachment on the adjoining private / Government land, or choose to solve the problem by way of land exchange.
2. The applicant should note that the rebuilding works may affect the adjoining house(s). As such, the applicant should ensure that such adjoining structures will not be affected during the demolition of the old house and the rebuilding of the new house. The applicant shall also bear full responsibility for the demolition and construction works.
3. The applicant should note that if the rebuilding warrants any modification of lease conditions, he / she may have to pay administrative fees and / or premium to the Government.

Supplementary Notes

Purpose of collecting personal data

1. The personal data provided in this application form will be used by the Lands Department for processing this application for rebuilding a village house in the New Territories.
2. The provision of data by means of this application form is voluntary. If you do not provide sufficient information, the Lands Department may not be able to process your application.

Classes of Transferees

3. The personal data provided in this application form may be disclosed and transferred to other Government bureaux / departments and the Land Registry to determine your eligibility for the application as landowner(s) or the approval conditions for your application.

Access to Personal Data
