

Performance Pledges

2025-26

Lands Department

The standards of service of the Lands Department are outlined below.

LANDS ADMINISTRATION OFFICE

A District Lands Office complies with the performance targets in the following service areas :

- ◆ **Enquiries**
- ◆ **Lease modifications and land exchanges**
- ◆ **Rebuilding of temporary domestic structures**
- ◆ **Land acquisition**
- ◆ **Processing of New Territories small house applications**
- ◆ **Processing of New Territories village house rebuilding applications**
- ◆ **Certificates of Compliance**
- ◆ **Approval of development plans**

The telephone numbers and addresses of the District Lands Offices are listed at the end of the leaflet.

Performance Targets

(a) Enquiries

Simple enquiries will be answered immediately. If further information is required, the case officer will respond within 21 calendar days from the date of receipt.

(b) Lease modifications and land exchanges (non-New Territories small house cases)

- (i) Upon the receipt of an application, the case officer will advise whether the case can be proceeded with within 3 weeks.
- (ii) Upon the submission of all the necessary information and documents to support the application, the applicant will be advised within 22 weeks, that either :
 - (1) the application is rejected; or
 - (2) a provisional offer with basic terms (without premium) is made; or
 - (3) the application is agreed in-principle subject to the resolution of specified major issues and / or statutory procedures.
- (iii) The legal document will be issued for execution within 12 weeks from the receipt of a binding acceptance of the final basic terms and premium offer.
- (iv) Processing of technical modification applications up to offer for acceptance will be completed within 10 weeks upon the submission of all the necessary information and documents.

(c) Rebuilding of temporary domestic structures

Processing of applications for rebuilding of domestic structures within their existing dimensions covered by Government Land Licences/Modification of Tenancy Permit will be completed within 48 weeks. For some District Lands Offices where there are a large number of applications, it may be necessary to operate a waiting list before the actual processing commences.

(d) Land acquisition

- (i) In the case of agricultural land in the New Territories :
 - (1) non-statutory compensation offers will be made within 4 weeks of publication of Gazette

Notice; and

- (2) cheques for the amount of compensation offered will be made available for collection within 4 weeks following acceptance of proof of legal title.
- (ii) In other cases :
 - (1) offers of statutory compensation or invitations to submit claims will be made within 3 weeks following land reversion; and
 - (2) cheques for the amount of interest on statutory compensation will be made available for collection within 4 weeks following execution of compensation agreements.
- (iii) Cheques for the amount of ex-gratia removal allowance will be made available for collection within 4 weeks following acceptance.
- (iv) Where an offer of compensation has not been accepted, wherever possible, an offer of provisional payment will be made without prejudice to any claim made by the claimant.

(e) Processing of New Territories small house applications

Lands Administration Office will process not less than 2 300 small house applications per year. For straightforward cases, it may be possible for execution to take place within 24 weeks from the date of interview with the applicant. For non-straightforward cases such as those associated with local objections, land title or boundary problems or requirements imposed by other regulatory authorities that will need to be tackled upfront, the processing time may exceed the aforesaid period depending on the nature and complexity of the problematic issues being encountered.

(f) Processing of New Territories village house rebuilding applications

Lands Administration Office will take 8 months to approve a straightforward rebuilding application from the date of receipt. For non-straightforward cases such as those associated with land title or boundary problems or requirements imposed by other regulatory authorities, the processing time will exceed the aforesaid period depending on the nature and complexity of the problematic issues being encountered.

(g) Certificates of Compliance (non-New Territories small house cases)

On receipt of an application for a Certificate of Compliance, the District Lands Office will, within 10 weeks, either issue the Certificate or a letter indicating the reasons of non-compliance.

(h) Approval of development plans

On receipt of an application for approval of the development plans under lease conditions, the District Lands Office or Building Plan Unit will, subject to the application being in compliance with the relevant Departmental Practice Notes, give a substantive reply within the following periods :

- (i) General Building Plan
 - (1) Building Committee III Cases — 10 weeks
 - (2) Non-Building Committee III Cases — 8 weeks
- (ii) Master Layout Plan
 - (1) Building Committee III Cases — 10 weeks
 - (2) Non-Building Committee III Cases — 8 weeks
- (iii) Landscape Submission — 8 weeks
- (iv) Tree Preservation and Removal Proposal — 8 weeks

SURVEY AND MAPPING OFFICE

The Survey and Mapping Office complies with the performance targets in the following service areas :

- ◆ **Land boundary survey**
- ◆ **Provision of digital maps and cadastral survey records**
- ◆ **Supply of up-to-date large scale plans and mapping products**

The telephone numbers and addresses of the Map Publications Centres are listed at the end of the leaflet.

Performance Targets

(a) Setting out of land boundaries

The time taken to set out the boundaries of a land parcel depends on the size of the land and the availability of sufficient land boundary information. Normally a parcel of land can be set out within 12 weeks from receipt of the request.

(b) Checking of plans submitted under Land Survey Ordinance

Checking of plans submitted under the Land Survey Ordinance will be completed within 4 weeks. For complicated cases such as those associated with the division of a section/subsection of a lot, or the total number of parcels resulting from the divisions of the subject lots is more than 5, the processing time may exceed the aforesaid period depending on the nature and complexity of the case.

(c) Supply of digital maps and digital images of cadastral survey records

Digital maps and digital images of cadastral survey records can be downloaded or ordered via Hong Kong Map Service 2.0 (<http://www.hkmapservice.gov.hk>) round the clock, with a service availability of at least 98% of the time.

(d) Updating of large scale plans

Major infra-structures will be surveyed and shown on large scale plans within 12 weeks after completion.

Service Environment

We are committed to providing an efficient, courteous and professional service to the public in a friendly environment.

Monitoring the Performance Pledges

We will closely monitor our performance pledges and publish the results annually.

The Public's Role

We welcome any comments or suggestions on our services. You are entitled to a full and prompt explanation in case the service provided to you is unable to match the standards.

If you wish to make suggestions or seek explanations, please write to the Departmental Secretary at 21/F, North Point Government Offices, 333 Java Road, North Point, Hong Kong.

Right of Appeal

If you feel that your case has not been dealt with adequately, you may write to the Departmental Secretary at 21/F, North Point Government Offices, 333 Java Road, North Point, Hong Kong.

Where to Go for Further Information

If you wish to obtain further information on the services provided by the Lands Department, please approach us. Our telephone numbers and addresses are shown in the list at the end of the leaflet.

Vision and Missions

Vision

We strive to achieve excellence in land administration in Hong Kong for the greater benefit of the community.

Missions

- To keep pace with economic and market trends in a local and regional context.
- To continuously review policies and employ best practices to meet the changing needs of the community.
- To develop and sustain a culture of transparency and professionalism.
- To use up-to-date technology and optimise human resources to enhance productivity and efficiency.

Good land administration ensures optimum land use
