2. Where the land on which a development is being erected is –
 - 2.1 subject to a restriction on alienation prior to compliance with all the conditions in the land grant governing the land; or
 - 2.2 subject to an exclusion order issued by the Lands Tribunal under the Landlord and Tenant (Consolidation) Ordinance (Cap. 7),if a registered land owner wants to sell any units in the development before it is completed, the sale is governed by the Lands Department Consent Scheme. The registered land owner must apply through its solicitors to the Legal Advisory and Conveyancing Office for the consent of the Director of Lands to enter into agreements for sale and purchase of the units.
3. Before the issue of the consent to enter into agreements for sale and purchase, a number of criteria must be fulfilled. The consent is given at the sole discretion of the Director of Lands and if given, is subject to various conditions that may be imposed by the Director of Lands.
4. This Annex sets out the rules and other information applicable to the Lands Department Consent Scheme in relation to the sale of residential units in an uncompleted development, uncompleted phase, completed development pending compliance, or completed phase pending compliance which is governed by the Lands Department Consent Scheme and to which the Residential Properties (First-hand Sales) Ordinance (Cap. 621) applies, other than the sale of residential units in a specified NT development. This Annex is also applicable to the sale of residential parking spaces constituting separate units that are subject to the Lands Department Consent Scheme.

Section III

Consent to enter into Agreements for Sale and Purchase

(A) Criteria to be fulfilled for issue of Consent

1. Checklist and Mandatory Documents

1.1 Each application for the Consent must be accompanied by a duly completed checklist and submitted together with the mandatory documents set out in Paragraph 1.3 of this Section III. Any incomplete submission will not be accepted.

1.2 Checklist

1.2.1 A duly completed checklist in the form at Appendix I must be completed by the Vendor's Solicitors or where the Vendor's Solicitors comprise more than one solicitors' firm, the solicitors' firm making the application for the Vendor.

1.2.2 If the Consent is sought at the same time for both the residential part and the non-residential part of the Development, only one checklist in the form at Appendix I is required to be submitted. Particulars for the residential part and the non-residential part of the Development must be properly completed in the relevant parts of the checklist.

1.3 Mandatory Documents

The mandatory documents include –

1.3.1 full set of the Government Grant certified as true copy by the Land Registrar or by a solicitor;

1.3.2 up-to-date computer printout of historical and current search records of the land certified as true copy by the Land Registrar or by a solicitor;

1.3.3 draft of the SD (in duplicate) (please refer to Paragraph 5.1 of this Section III and the form at Appendix II);

1.3.4 draft of the ASP (in duplicate) (please refer to Paragraph 5.2 of this Section III and the form at Appendix III);

1.3.5 the AP's Certificate (please refer to Paragraph 6.2 of this Section III and the form at Appendix IV);

1.3.6 satisfactory evidence of financial ability to complete the Development (please refer to Paragraph 2 of this Section III); and

1.3.7 letter(s) of appointment from the Vendor appointing its solicitors to act in the sale of units (please refer to Paragraph 4 of this Section III).

2. Development Finance

2.1 One of the main objectives of the Consent Scheme is to ensure that purchasers who have entered into agreements for sale and purchase get the units they have contracted to purchase. The Vendor must be able to show its ability to meet all the outstanding Construction Costs and Professional Fees.

2.2 Two methods of financing the outstanding Construction Costs and Professional Fees are acceptable to the Director. They are –

2.2.1 Building Mortgage; and

2.2.2 Finance Undertaking.

Unsecured loan is only acceptable to the Director when it has been provided to pay the Construction Costs and the Professional Fees up to submission of the application for the Consent.

2.3 Building Mortgage

2.3.1 The Building Mortgage must be a legal mortgage or charge against the land in favour of a licensed bank or registered deposit-taking company authorized under section 16 of the Banking Ordinance (Cap. 155).

2.3.2 Where the “restriction on alienation before compliance” clause in the Government Grant does not provide for the inclusion in the Building Mortgage the condition that the Mortgagee is obliged and irrevocably undertakes to, upon completion of the sale and purchase, release unconditionally from the security of the Building Mortgage, any share or interest in the land together with the right to the exclusive use, occupation and enjoyment of any unit in the Development, in respect of which the total purchase price under an ASP is fully paid into a stakeholder account to be opened and maintained with the Mortgagee, and the Building Mortgage does not contain the undertaking for partial release on completion of the sale and purchase, either an Undertaking as to Partial Release or a Deed of Variation to the Building Mortgage must be executed. A draft of the Undertaking as to Partial Release in the form at Appendix V or a draft of the Deed of Variation, in that the Mortgagee undertakes to fulfil the obligation of partial release, must be submitted for the Director’s approval before execution. The Undertaking as to Partial Release or the Deed of Variation (as the case may be) in the approved form must be executed and registered in the Land Registry before the first PASP is signed. The Vendor’s Solicitors or where the Vendor’s Solicitors comprise more than one solicitors’ firm, the solicitors’ firm which made the application for the Consent must forward to LACO a confirmation in writing before the first PASP is signed that the Undertaking as to Partial Release or the Deed of Variation (as the case may be) in the approved form has been registered.

2.3.3 The undrawn balance of the facilities under the Building Mortgage must

be sufficient to cover the Outstanding Development Costs, unless it can be shown that the deficit is financed by another acceptable means. As evidence, a confirmation in writing from the Mortgagee as to the amount of the facilities remaining undrawn under the Building Mortgage and that the facilities are sufficient to finance the Outstanding Development Costs is required.

2.3.4 A Tripartite Stakeholder Agreement, as stipulated in Paragraph 15.3 of this Section III, is also required.

2.4 Finance Undertaking

2.4.1 A licensed bank or registered deposit-taking company authorized under section 16 of the Banking Ordinance (Cap. 155) may execute a Finance Undertaking under seal to confirm that, should for any reason the Vendor be unable to finance completion of the Development in accordance with the terms and conditions of the Government Grant and any ASP, it shall pay any amounts to the Vendor or to any other person(s) as the Director shall direct to ensure completion of the Development.

2.4.2 Where completion of the Development is to be financed by a Finance Undertaking, a draft of the Finance Undertaking in the form at Appendix VI must be submitted for the Director's approval before execution. A proprietor of the Vendor's Solicitors is required to confirm due execution of the Finance Undertaking.

2.4.3 The name of the licensed bank or the registered deposit-taking company must be disclosed before issue of the Consent.

2.4.4 The Finance Undertaking in the approved form must be executed and registered in the Land Registry before the first PASP is signed. The Finance Undertaking must be forwarded to LACO within 7 working days after completion of its registration.

2.5 Unsecured Loan

2.5.1 Where unsecured loan has been partly or wholly made by the Financier to finance the Construction Costs and the Professional Fees when the application for the Consent is made, the Financier must be made a party to the ASP.

2.5.2 The Financier must covenant under seal in each ASP with the purchaser that the Financier will not call back the whole or any part of the loan advanced or to be advanced, and will provide all future necessary finance, until the Development has been completed. The SD must include a statement that confirmation in writing to that effect from the Financier has been received.

2.5.3 The name(s) of the Financier must be disclosed before the issue of the Consent.

- 2.5.4 Any unsecured loan which has been advanced or will be advanced cannot be treated as a means to finance the Construction Costs and the Professional Fees yet to be incurred, whether in whole or in part.

3. Development Progress

- 3.1 The development of the land must have reached a stage where the foundations of the building(s) within the Development have been completed.
- 3.2 The Building Authority must have given consent under section 14 of the Buildings Ordinance (Cap. 123) to commence building works on the superstructure of the building(s) within the Development.
- 3.3 The Authorized Person must provide an estimated material date. The estimated material date as certified by the Authorized Person is the date for contractual completion of the sale and purchase to be inserted in clause 4(1)(c) of each ASP.
- 3.4 Generally, the estimated material date as certified by the Authorized Person must not exceed 3 months after the current expiry date of the Building Covenant Period. If the estimated material date is more than 3 months after the current expiry date of the Building Covenant Period, the Vendor is required to apply for and obtain an extension of the Building Covenant Period. If the Building Covenant Period is extended, a copy of the approval letter showing the extended Building Covenant Period must be submitted.

4. Appointment of Solicitors

- 4.1 As a solicitors' firm acting for the Vendor in the sale of units plays a significant role as stakeholder of the sales proceeds, no solicitors' firm may act in the sale unless a letter of its appointment to act for the Vendor is submitted.
- 4.2 Any withdrawal of the appointment must be sent to LACO within 2 working days of receipt of withdrawal by the solicitors' firm concerned.

5. Statutory Declaration and Agreement for Sale and Purchase

5.1 Statutory Declaration

- 5.1.1 A SD in the form approved by the Director must be made by a proprietor of the Vendor's Solicitors or where the Vendor's Solicitors comprise more than one solicitors' firm, be made by a proprietor of each of the solicitors' firms acting in the sale and registered in the Land Registry before the first PASP is signed. A draft of the SD in the form at Appendix II must be submitted for the Director's approval.
- 5.1.2 If at the time when the SD is to be made, a change is proposed to the form of the SD approved by the Director, or if subsequent to the making of the SD, a change is proposed to the SD, or if the AP's Certificate (please refer to Paragraph 6.2 of this Section III) which is to be exhibited to the SD and last accepted by the Director is dated more than 3 calendar months before the proposed date of the SD, a revised draft of the SD

with updated exhibits must be submitted for the Director's approval.

- 5.1.3 If the Vendor's Solicitors or where the Vendor's Solicitors comprise more than one solicitors' firm, any one of the solicitors' firms, ceases to act for the Vendor in the sale, no further sale may take place until the Director has approved the substituted solicitors' firm (if any) to act for the Vendor and a further SD in the form approved by the Director with updated exhibits has been made by that substituted solicitors' firm and registered in the Land Registry.
- 5.1.4 If the Vendor intends to instruct any other solicitors' firm to act on its behalf in addition to the solicitors' firm(s) already approved at the time of Consent as the Vendor's Solicitors, the solicitors' firm to be so instructed cannot act in the sale until the Director has approved that solicitors' firm to act for the Vendor and a further SD in the form approved by the Director with updated exhibits has been made by a proprietor of that solicitors' firm and registered in the Land Registry. Any application for the Director's approval to add a solicitors' firm must be made through the Vendor's Solicitors or the solicitors' firm in substitution of the Vendor's Solicitors, or where the Vendor's Solicitors comprise more than one solicitors' firm, the solicitors' firm which made the application for the Consent or the solicitors' firm appointed in substitution of that solicitors' firm.
- 5.1.5 Up-to-date certificate of the Authorized Person as to the progress of construction, financing, etc. may be required where any further SD is to be made under Paragraphs 5.1.2, 5.1.3 and 5.1.4 of this Section III.

5.2 Agreement for Sale and Purchase

- 5.2.1 Each ASP must be in the form at Appendix III or in the form approved by the Director. A draft of the ASP that is not in the form at Appendix III must be submitted for the Director's approval.
- 5.2.2 Each ASP must not provide for any sum of money, other than the preliminary deposit, to be paid before the date of the ASP.
- 5.2.3 Each ASP must be registered in the Land Registry within one calendar month from the date of the relevant PASP.
- 5.2.4 Only the person who signed a PASP is permitted to sign the relevant ASP, but additional person(s) is permitted to join in the relevant ASP on condition that adequate proof is produced to the satisfaction of the Vendor of a close family connection between the person who signed the PASP and such additional person(s) and that all of them sign the relevant ASP as purchasers personally. In addition, no attorney, trustee or nominee of any kind of a purchaser can be accepted by the Vendor for the purpose of signing an ASP except a named attorney (without any right of substitution) with a specific power only to sign the ASP in the name and on behalf of the purchaser.

- 5.2.5 No nomination, sub-sale or transfer of the benefit of an ASP by a purchaser before completion of the sale and purchase and execution of the Assignment to the purchaser is permitted under the ASP.

5.3 Standard Forms

- 5.3.1 The form of the SD at Appendix II and the form of the ASP at Appendix III should normally be adopted as standard forms without any variation. Request for variations to these forms will not normally be entertained, with the exception of very rare cases where a particular variation is considered essential either, for example, for the better protection of the interests of purchasers, or because of the particular circumstances of a specific case. Such cases will be considered on their own merits but in no circumstances will variations that are inconsistent with the mandatory provisions to be contained in ASP as set out in the Residential Properties (First-hand Sales) Ordinance (Cap. 621) be accepted. Any variations to these forms will require the Director's approval and may involve consultation with other relevant authorities. Ample time should therefore be allowed.
- 5.3.2 Where the proposed form of the ASP adopts the form at Appendix III without any variation, it is not necessary for the Vendor's Solicitors to submit the draft of the ASP for the Director's approval, and the Director will not check the draft of the ASP in this case. A statement in the SD confirming that the contents of the ASP in all respects accord with the form of the ASP at Appendix III is sufficient.
- 5.3.3 Where variations must be made to the form of the SD at Appendix II or the form of the ASP at Appendix III, the Vendor's Solicitors or where the Vendor's Solicitors comprise more than one solicitors' firm, the solicitors' firm which made the application for the Consent must –
- (a) highlight the proposed variations in the draft of the SD or the draft of the ASP submitted in duplicate, with deletions preferably shown by striking through and additions shown by underlining, and provide full justification for each proposed variation; and
 - (b) provide confirmation in writing that the proposed variations to the form of the ASP at Appendix III are not inconsistent with the mandatory provisions to be contained in ASP as set out in the Residential Properties (First-hand Sales) Ordinance (Cap. 621).
- 5.3.4 If the Vendor's Solicitors wish to propose amendments to any variation already applied for, only those pages of the SD or the ASP on which these amendments are proposed should be submitted for the Director's approval. The relevant pages should be submitted in duplicate with the proposed amendments highlighted in the same manner as in Paragraph 5.3.3(a) of this Section III and in such a way that these proposed amendments are readily apparent.
- 5.3.5 Any amendments to the substance of the SD and the ASP will not be

considered after the issue of the Consent. Any concern as to the contents of these documents should be resolved in the process of obtaining the Director's approval and before the issue of the Consent.

- 5.3.6 Any variation to the form of the SD at Appendix II and the form of the ASP at Appendix III without the Director's approval may lead to suspension of the Consent. Depending upon the circumstances, the Director may also take other action.

6. Authorized Person and Authorized Person's Certificate, etc.

6.1 Authorized Person

The Authorized Person who gives a certificate for the purpose of obtaining the Consent must be an architect or engineer or surveyor listed in the authorized persons' register kept by the Building Authority under section 3(1) of the Buildings Ordinance (Cap. 123).

6.2 Authorized Person's Certificate

- 6.2.1 The AP's Certificate must be in the form at Appendix IV.

- 6.2.2 Generally, the application for the Consent will not be processed if the AP's Certificate is dated more than 3 calendar months before the date of the application. The AP's Certificate submitted immediately before the Director giving the Consent, on which the final check is conducted, must also be dated not more than 3 calendar months before the date of the Consent. Further, the date as at which the Construction Costs and the Professional Fees are certified as having been expended on the Development must not be more than 15 days before the date of the AP's Certificate.

- 6.2.3 If at the time of making the SD, the AP's Certificate last accepted by the Director is dated more than 3 calendar months before the proposed date of the SD, an updated AP's Certificate is required to be exhibited to the SD. The proposed SD, together with the new AP's Certificate and other updated exhibits, must first be submitted for the Director's approval.

- 6.2.4 The Authorized Person must obtain confirmation in writing by an appropriate senior or financial officer of the Vendor on the amount of the Professional Fees. In respect of the amounts of the Construction Costs and the Professional Fees confirmed to have been paid, the Authorized Person must obtain written supporting evidence from the Vendor to satisfy himself that the sums have been paid to the contractors, sub-contractors, suppliers and professionals as claimed. Individual receipts or invoices in support of the payment need not be produced to the Director, unless specifically required in any particular case at the Director's discretion. Further, pursuant to the undertaking given in the AP's Certificate, the Authorized Person must inform in writing LACO, the Mortgagee (if any), the Vendor and the Vendor's Solicitors immediately if there is a change of information on (inter alia) the Construction Costs

and the Professional Fees.

- 6.2.5 The Building Contractor must be identified in the AP's Certificate and must be a general building contractor registered with the Building Authority under section 8A of the Buildings Ordinance (Cap. 123) and appointed under section 9(1) or (3) of the Buildings Ordinance (Cap. 123) to carry out building works for the Development. All other contractors, sub-contractors and suppliers for the Development (for example, for site formation works, substructure works and superstructure works, etc.) must also be identified in the AP's Certificate for the purpose of drawing funds from the stakeholder account (please refer to Paragraph 15 of this Section III) or the Building Mortgage (if any), against properly delivered invoices.
- 6.2.6 The Authorized Person must obtain confirmation in writing from the Vendor whether or not the Building Contractor is an associate corporation of the Vendor or the holding company of the Vendor, the JV Partner or the holding company of the JV Partner. If it is the case, the Authorized Person may, at his discretion, require the various amounts relating to the Construction Costs and the Professional Fees to be verified by an independent authorized person or quantity surveyor.
- 6.2.7 If –

LACO will seek clarifications or request additional information to ensure that all the criteria for the issue of the Consent have been fulfilled. Any failure to furnish LACO with a substantive reply within 14 days may result in the application being treated as withdrawn.

10.3 To assist the Vendor in giving early instructions to the Vendor's Solicitors to resolve any outstanding negotiation with LACO, LACO will keep the Vendor informed of the progress of the application for the Consent. Follow-up correspondence as to the progress of the application will be copied to the Vendor, including rejection of incomplete application, request for additional clarifications and similar correspondence.

10.4 When all the clarifications (if any) have been made and additional information (if any) has been provided and LACO is satisfied that the AP's Certificate is in order and that the Vendor has the financial ability to complete the Development, LACO will approve the forms of the SD and (subject to Paragraph 5.3.2 of this Section III) the ASP. LACO will, in appropriate cases, issue a reminder for the production of documentary evidence of all lease approvals required under the Government Grant, including but not limited to, the lease approvals referred to in Paragraph 8.2 of this Section III if this has not yet been done. If such documentary evidence is not produced within 28 days of LACO's reminder, the priority allocated to the application for the Consent will be lost and the application will not be further processed until documentary evidence of the outstanding approval(s) is produced.

Consent is given.

- 12.2 The Vendor's Solicitors must check the terms and conditions of any PASP and ensure that they comply with the conditions imposed by the Director in giving the Consent before the relevant ASP is prepared. If any breach is identified, the Vendor's Solicitors must not act for either party in the sale in respect of which the PASP is in breach and must immediately notify LACO in writing of the breach. Any breach of the conditions of the Consent apparent on the face of any PASP will immediately act as suspension of the Consent and no further sale may take place until the Director has confirmed in writing that the Consent is reinstated in respect of the units that are unsold, subject to any additional condition.

In addition, the permission (if given) shall under no circumstances be construed as permission to –
