Reply:

A total of 53 land resumption cases were launched for implementation of public works projects in the past four financial years. The projects are mainly for sewerage, drainage, roads, public housing and other public works. The details are tabulated below-

Financial year	No. of cases (area of private land and government land involved (hectares))			
	Hong Kong Island	Kowloon	New Territories (excluding Outlying Islands)	Outlying Islands
2012-13	0	0	22 (145.75)	1 (3.04)
2013-14	0	1 (0.23)	10 (61.79)	2 (2.21)
2014-15	0	0	9 (19.09)	0
2015-16	0	1 (0.10)	7 (24.22)	0

The compensation payments in the past four financial years were about \$1,810 million in 2012-13, \$1,657 million in 2013-14, \$598 million in 2014-15 and \$439 million (up to end of February 2016) in 2015-16. The figure for each year covers compensation payments in respect of resumption projects launched in or before that year. The estimated provision for compensation payments for land resumption cases in the financial year 2016-17 is about \$2,738 million.
