According to the information list of private columbaria provided by the Development Bureau (https://www.devb.gov.hk/filemanager/en/content_756/Columbarium_List_20140618.pdf), many columbarium sites are government land let by short term tenancies (STTs) involving breach of tenancy conditions. Will the Lands Department provide the number of STT sites which are currently used for columbarium purpose and the total area of land involved?

Reply:

Among the 154 private columbaria included in the Information on Private Columbaria published by the Development Bureau on 31 December 2015, seven private columbaria involve government land let by short term tenancies (STTs). The total site area of the concerned STTs is about 30 600 square metres.
